

Tigereye Private Lessons

Students can also arrange for private instruction from the instructor of their choice. In these private lessons, the instructors will design a lesson plan that meets the individual student's needs. Some of the benefits of private lessons include:

- Developing confidence for group instruction
- Preparing for tournaments or examinations
- Improving one's technique, forms, or sparring
- Self-defense instruction
- A tailored fitness program

Schedule a 30 minute or 1 hour private lesson with one of our TIGEREYE Instructors.

RULES FOR PRIVATE INSTRUCTION

- . Whenever instructing someone under the age of 18, an adult guardian must be present for the entire lesson.
- . TIGEREYE charge the client the full amount of the lesson and the instructor will also be compensated fully.
- . 10% discounts are given to clients who purchase a 10-pack of the same private lesson type.
- . Private lessons must be used within 90 days of the purchase date.
